Dear Sirs,

When sending in my last probation report, I asked for additional forms, which were not sent to me. Please send me forms for my last four reports.

For December, my address remains 489 W. 6th St., Claremont. I am a student and am not employed or earning money, and am living with my family and am not spending money. I have not been arrested, convicted, nor sued.

Have a happy New Year. Viva la Causa, Viva la Huelga...

Sincerely yours...

Douglass Adair
